Dear Holy Assumption Members, and other supporters,

Each week we broadcast live audio from Holy Assumption Divine Liturgy. We record the service and replay at a later time (usually Sunday afternoon). In addition we try to post the sermons each week on the church website [Holyassumption.net](http://Holyassumption.net)

Our ministry is unique in that we broadcast live liturgical services each week, and more during lenten periods. This coming Pascha marks our 9h year of broadcasting!

Thank you for your support and prayers, please continue to pray for our efforts.

If you would like to donate towards this ministry see Vera Rippert, or mark your donation to INBN.

In Christ,

Steven Mathewson
